

# Early Childhood Development Center Kaleidoscope Enrichment Club Registration Form

## Chess Club

(for children born in 2016)

September 29, 2020 – June 15, 2020

Tuesdays 3:30 pm – 4:00 pm

(there are no classes on 12/29, 02/16, 03/30)

**Tuition for the 35 sessions: \$525**

Numerous studies have been done around the world, exploring the relationship between chess and education. The results are astounding. In addition to being a fun game, chess gives children problem-solving skills, the ability to think ahead, and gives children self-confidence.

The Chess Club will help your child start on their personal chess adventure. It will give a foundation upon which they will build more knowledge and skills.

Children will love our step-by-step instruction given in a whole group and mini games with a partner. They will learn the chessboard and how to set it up, name the pieces, learn their moves, and play with a partner in every class.

Children are expected to play mini chess games we learn in the club at home.
