# satanism

JESUS IS  
LORD!

**satanism** is the worship of satan or the powers of evil; a travesty of Christian rites in which satan is worshipped; diabolical or satanic disposition, behavior, or activity; devilry.

From the fall of lucifer or satan and one-third of his angels, satan's agenda has been to kill, steal, and destroy the lives of Christians. he pursues those who glorify God, in the name of Jesus Christ. If he cannot kill us, he will attempt to kill us in our minds, our bodies, within relationships...any which way he can. But, his main objective is to cause "true" Christians to backslide, (turning of the heart away from God,) & then in that backslidden state, his attempt is to cause physical & spiritual death, so that the person would find his eternity in hell.

*Reader, God in the name of Jesus Christ would have me to tell you, "don't be deceived with the wiles of the devil."* A wile is defined as a trick or strategy meant to fool, trap, or entice; to lure away from.

This scripture is what we test them by: I John 4:1-3. **2.**

**Build Credibility:** Regularly attends church, are helpful, good tithe & offerer payers. **3. Cause Sicknesses & Barrenness. 4. Cause Slumber During Services. 5. Cause Confusion. 6. Cause lukewarmness. 7. Destroy Prayer:** satanists know that a praying church is a powerful church. The way they destroy a church's prayer base is to get involved with the prayer team & the leader, or to begin a different prayer auxiliary. **8. Gossip,** once the prayer base is destroyed. **9. Making members ignorant of the Holy Bible. 10. By Fashion & Emulation:** Causing members to turn their hearts from God to the love of money or the desire to be "like" them. **11. Teach & Change Doctrines:** satanists look for teaching positions within the church in order to recruit into satanism or to teach false doctrines. **12. Stop All Accurate Teachings About satan:** They tell church
