"Where Vision becomes Mission"

A Message from our Rector and Founder

L Manaka, D.Min
Rector/Founder

Greetings

I welcome you to College of Christian Leadership (CCL) where you join hundreds of other students in their pursuance of quality, spirit-filled course of study at one of the most affordable tuition rates that you will find anywhere.

CCL is a non-denominational training centre which allows us to offer a broad range of programs to meet the demands of students world-wide. One of the main goals is to equip the whole church, not just a professional segment and follow the Biblical pattern of training lay people for God's work.

The Purpose of CCL

The purpose of College of Christian Leadership is to create a welcoming community in which God works to form His people by integrating spiritual, academic and experiential learning rooted in His Word, for growth in Christian life and service, locally and around the world. CCL seeks to produce Christian leaders who commit themselves to:

- a. The spreading of the Gospel of Jesus Christ through Christian services, theological training, seminars, evangelistic outreaches, multi-media and whatever means it may deem fit.
- b. Live victorious lives because they are taught how to understand the Bible and apply it in their everyday lives and situations.
- c. Support missionary work by receiving and sending missionaries.
- d. Promote and encourage cooperation with other similar organisations.
- e. Allow the lay persons to have a ministry in the Body of Christ even though they are not called into fulltime ministry.

College of Christian Leadership offers you, churches, ministries and ministers a relevant and Biblically-sound hybrid learning experience.

We close the gap in distance learning through contact sessions once a month.

Our study programs are designed with you in mind. The ultimate goal is to obey the Lord's command "... Therefore go and teach all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things, whatever I commanded you. And, behold, I am with you all the days until the end of the world. Amen" (Matt 28:19-20, MKJV).

Our strategy helps us to make disciples, who will be committed to making disciples, serving as marketplace Ambassadors and Pathfinders for Christ, living in faith and allowing God to do extraordinary things through them by the power of the Holy Spirit.

It is possible for you to study a course of your choice or more. Also, you can decide to write an exam in that course or you can take it simply for spiritual growth. We call this auditing. An auditing student shall pay a fee stipulated by the administration. Auditing students are not eligible for graduation.

Our world needs innovative ministries with innovative delivery systems to take the Gospel of the Kingdom to "every kindred, tongue, tribe and nation".

With this in mind, we have strategic global partnerships with ministries and churches around the world to help accomplish this task.

CCL is a network college of the Grace Bible College & Seminary based in the United States of America.

Upon graduation, CCL graduates may apply and when meeting additional criteria, be licensed and ordained by the Apostolic Partners' Network (APN). APN is affiliated to Alliance International Ministries, also based in the United States of America (www.aimteam.org).
