ORDER YOUR OWN RECORD

You can order your own record, by mail, from the DMV Headquarters. Records are mailed to you at your address shown on your DMV computer record unless you indicate otherwise. If you want records faxed or mailed to an address other than your address on the DMV's record, you must include enough information in your request for DMV to verify your identity, such as: date of birth, place of birth, address of record, mother's maiden name, etc. If you are requesting a record that contains another person's personal information as well as your own (such as a title history or odometer history), your personal information will appear on the record(s) but other person's will not.

INSTRUCTIONS: Fill out the name and address fields completely. You must include enough vehicle and/or driver information for DMV to locate the record.
