HOW TO RETURN YOUR MAIL BALLOT

Use our Democratic Voting Guide to complete your ballot (available online at VoteSJC.com). If you have any questions about the recommendations for judges and amendments, you can call our office for information at 904-825-2336.

1. After filling out your ballot, place it in the blue privacy sleeve, then put it all in the provided envelope.
2. **Sign and date** the back of the envelope. It is not valid unless signed and dated. It is optional to write in your phone number, but very important for the Elections Office to contact you quickly if there are any issues with your ballot.
3. Seal the envelope and put a **stamp** on it.
4. Mail it back as soon as you receive it. It must be received, **not postmarked**, by Nov. 8th!
5. Instead of mailing, you may put it in a drop box at any Early Voting location from 8 am to 6 pm, starting Oct. 26th. (Early Voting locations are listed online at VoteSJC.gov/general-election-2022). You may deliver your ballot and those of your immediate family

members, plus up to 2 other people's ballots to a drop box. It is illegal to deliver more than 2 ballots belonging to non-family members and drop boxes will be monitored by elections staff.

6. If you prefer to vote in person, you may do so at any Early Voting location or at your precinct station on Election Day. The Elections official will see that you have a mail ballot in their electronic register and will allow you to vote in person if it shows you have not already voted.
7. **TRACK YOUR BALLOT ONLINE** by going to VoteSJC.com and click on My Voter Status. You will be able to see when your mail ballot was requested, sent, received, and counted!
8. If you have not received your mail ballot by Oct. 20th, please contact the Elections Office at 904-823-2338 and let them know. They will be happy to get you a replacement and invalidate the one you were originally sent.

THANK YOU FOR VOTING!!!
