

## TAODS can now collect your membership by Direct Debit!

This service is provided by a company called Go Cardless. It is a very **quick signup per person** and can be done on a laptop, tablet phone. This is how the sign-up page looks.

**Put the name of the member for whom you are paying in the name boxes** - if you are paying for more than one member, you will need to set up one DD per person and put each member's name in the box. (Don't worry - it doesn't have to match your bank account name, I have 5 different ones all out of the same bank account)

For family members, just pay for the adult(s) and **we will assign your children their free membership.**

Payments are taken on the 1<sup>st</sup> of each month. Your bank statement or app screen will show "Go Cardless" - extra detail will include TAODS and a unique code which Go Cardless allocate to help us with book-keeping.

Once you have signed up for the Direct Debit, **don't forget to cancel your old standing order!**

**We will operate both systems for one year. After 1<sup>st</sup> September 2022, standing order payments will be treated as a very generous donation but will no longer entitle you to membership.**

**If you are not able to use our Direct Debit service, please contact Alison our membership secretary to arrange an alternative method of payment. [membership@todhip.org](mailto:membership@todhip.org) or 07961 325930**
