

PEAK SIDE FOLDING FRAME WALKER

- Designed for people who can walk reasonably well but who would benefit from extra support
- Walkers are height adjustable to be at the correct height for the user to stand upright
- Spring-loaded push button to allow easy side folding
- Reinforced aluminium frame
- Soft hand grips
- Rubber tips that are able to be replaced
- Folds down for easy storage
- Available in two options - standard tips, or wheels for the front legs and skis for the rear legs

Warranty
1 Year

Compliance
ISO 11199-2:2005
