Tuition payments can be made monthly, for a semester, or the school year.

For convenience, payments have been divided into nine equal monthly payments which are consistent and due on the 1st of the month September through May. **(Payments are not based on how many classes are held for the month, nor decreased or increased for short or long months or holidays.)**

Monthly payments are due by the 1st of each month, September through May. There is a 5-day grace period, but any **payments made after the 5th of the month will be charged a \$5 late fee.** Monthly invoices will not be provided. Semester or annual payments are due by the first day of class. Trial class tuition will be applied to the overall tuition balance once a student has completed enrollment.

An annual **Registration Fee** of \$35 per student is due at the time of online registration. This is a one-time non-refundable fee.

A **Recital Fee** of \$40 per class is due on March 1st for all performance classes. For students taking more than one performance class, there is an additional \$20 fee per class, to help cover the various administrative costs of planning the recital. Recital fees are non-refundable, but transferable toward class offerings if a recital cannot take place.

In case of cancellation, tuition will be credited to future classes.

Family Tuition Rates apply to any two, or more, siblings attending Festival Dance Academy. The total hours per week for each student are added together for a final tuition amount with the greatest potential discount. The monthly tuition payment is based on the hours of class time taken per week.

Payments can be made directly online using our registration platform either by e-check or using a debit/credit card. Either can be set to auto-pay if desired. You may also pay by personal check which can be physically delivered to the Festival Dance office in the University of Idaho PEB, or mailed to:
