CODE OF CONDUCT

- I understand that riding at any standard has an inherent risk and that all horses may react unpredictably on occasions.
- I may fall off and could be injured. I accept that risk.
- We offer several different rides depending on the rider's capability. **You MUST be honest with your ability** otherwise it will endanger you and others around you. If in any doubt book a slower ride. We reserve the right to change / cancel your ride if we believe you are not at the required standard with no refund given.
- There can be hidden dangers on the ride; sudden movements such as wildlife, loud noises, machinery and unfamiliar objects can startle horses. Your ride Escorts are there to help.
- Horse riding is not an amusement ride. Horses have minds of their own, you are a participant not a passenger. When you ride you must be in control at all times, NEVER let go of the reins, take your feet out of your stirrups and no screaming.
- Do NOT mount or dismount your horse without assistance from staff or elected riding centre helpers.
- When selecting your or your child's riding hat it must be the smallest comfortable size, snug fitting and come down to the eyebrow line. Staff are happy to advise, assist and check the fitting. After the ride all hats MUST be replaced neatly onto the shelves and boots MUST be replaced in pairs in the allocated area.
- You must sit centrally in the saddle staying balanced at all times and do not lean to one side of the saddle. If you become lopsided please bring it to a member of staff's attention immediately.
- You may be required to lead your child's pony, please ensure that you have sturdy footwear on or are prepared to borrow some of our boots (wear socks). You will need to follow the instructions of the trek leader for safe leading, in particular how you hold the rope (fold the rope do not wrap it around your hand). Always keep one horses space apart (do not get too close to the one in front). If you are not confident / unwilling to walk holding your childs pony please bring this to the attention of a member of staff.
- When on the ride leave at least one horses distance between your horse and the one in front of you.
- Clothing must be zipped or buttoned up, so they will not come undone or flap about whilst riding. Do not remove / add clothing whilst on horseback. It is advised that shoulders and legs should be covered at all times when riding.
- Do not pass your ride escort unless instructed to do so.
- Cameras, jewellery and the use of mobile phones are not allowed.
- Disability, medical conditions and pregnancy must be notified prior to riding.
- Smoking is STRICTLY PROHIBITED anywhere on the yard.
- Long comfortable trousers and protective shoes with a small heel must be worn at all times when riding or walking near horses. We can provide appropriate footwear, make sure you are wearing socks, if not we can provide you with a pair at a cost of £1.00.
- You must listen and obey instructions of the ride escorts at ALL times.
- Each horse has a VERY STRICT weight limit please be truthful when booking (if you are unsure of your weight we have scales to use) **WE RESERVE THE RIGHT TO WEIGH YOU PRIOR TO RIDING.**
- DO NOT FEED ANY OF THE HORSES.
