Dear Parents,

Thank you for requesting registration information from Happy Heart Preschool and Kindergarten!

Kindergarten is the foundation for your child’s educational future. At Happy Heart, your child will be provided with the experienced, consistent care and guidance needed to encourage him or her to enjoy coming to school, and subsequently, to enjoy learning. As a result of attending and completing the in-person, Happy Heart Kindergarten program, your child will be well-adjusted and better-prepared to continue with subsequent levels of learning. Our class day allows your child to experience diverse approaches to learning, with concentrations in language and math development. Also, students are able to have lunch at school, which can be a definite benefit for some students and families. During the 2021-2022 academic school year, Happy Heart Kindergarten was able to provide live instruction to the students during the entire school year, although arrangements were made to provide virtual instruction, if required.

Enclosed is information about the Happy Heart Kindergarten Program, tuition rates and the Registration Form. A non-refundable registration fee of \$50 (check made payable to Happy Heart) is required with each Kindergarten Registration.

Upon receipt of the completed registration form and fee, I will contact you to discuss the program in detail, to see the facility and to be provided with additional information about your exciting, upcoming school year.

Again, thank you for your interest in Happy Heart Preschool and Kindergarten! Please feel free to call with questions or concerns.

Sincerely,

Linda Cuesta, Director
