September 2016 Newsletter

MaryJoBrown.org

Hi everyone!!

The year is flying by—it has only been a month since our last newsletter—but this update follows up on August events and has all you need to know about our 5th Annual Indoor Luau on October 16th.

THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU

To everyone who joined us on August 20th for our honorary walk around Lake Quannapowitt in support of Mary Jo's Smile Squad at the Country Heals Walk for Tufts Medical Center.

To everyone who stopped by our booth at the Wilmington Farmer's Market on August 21st. Kudos to Christina, Marcy and Terri for promoting our Foundation and our programs.

*To everyone who donated to our second clothing and textiles drive of the year. Once again our supporters got to unload unwanted items—and get a tax deduction—the Epilepsy Foundation benefits from the 2388 pounds of items collected—and the Mary Jo Brown Foundation earned \$477.60!! Did you miss either (or both) of these drives? FEAR NOT!! **We will be doing this again in the spring.** So when you are cleaning out those closets, drawers, Aunt Nellie's attic, whatever—just put these things aside and we will have another win-win-win collection. Advanced notice will be given in a newsletter, on our website and on our Facebook page after the first of the year.*
