Hi Louie,

This invoice is not from the attorney that represented Mark Pieloch, Richard Kollars and myself. This invoice is from Mr Belew's attorney. Mr Belew filed a claim against the LOC, claiming the LOC is responsible to represent him in the suit that was brought against him by myself, Mark & Richard, since his actions (he claims) were covered as a member of the board.

If you need an explanation as to why the LOC is being charged for this, you need to speak to Mr Belew. He is the the one that initiated the action.

Thank You!!

Dennis
