

MEGAN SKAGGS, BSW, obtained her Bachelor's Degree in Social Work from Western Kentucky University in 2008. Her work experience includes Community Action, The Ole Homeplace Adult Day Health Care, and in long-term care. Prior to her work as a targeted case manager, Megan worked in long-term care assisting clients with assessments, community resources, and discharge planning. Megan is committed to helping those in need while establishing community relationships to link clients with needed resources. Megan currently provides targeted case management services at Wilson Counseling.

Community advocacy includes:

Alzheimer's Association
