**Craig at [sarina.showsoc@bigpond.com.au](mailto:sarina.showsoc@bigpond.com.au)**

**All exhibits can be assembled on Thursday 1<sup>ST</sup> August 2019 and must be completed by 5pm.**

**Entries invited from schools, to cover an area of Approx. Three (3) square meters (Depending on how many schools) and are judged on the following criteria:**

**VISUAL IMPACT:** First and foremost you want the Public, (and the Judge) to spend Longer in front of your School's Exhibit than any other, so visual impact is very important.

**VARIETY:** Your Exhibit should display a wide range of the activities which make you're School an exceptional place for your pupils. Judges look for representation of a range of arts, crafts, school work and activities. The use of a blend of traditional and computerized presentations, along with photographs of a range of pupil activities, will impress both the public and the judges. We want your exhibit to tell the story of the educational experiences enjoyed by the entire range of pupils at your School.

**CONTEXT:** Unobtrusive cards or labels should explain briefly the nature of each aspect Of the display and indicate the year level involved. Kindergarten and Pre-School displays Are most effective if they concentrate on a single theme for the main display, with a range of photographs illustrating the production process. Photographs, children's drawings and produced items can help to give a rounded picture of the educational experience you provide for your pupils.

**THE ROLE OF THE PUPILS IN THE DISPLAY:** Given the limited display space you are allocated, bear in mind that processes and products should be pupil centered, displaying pupils' experiences and achievements.
