Millions of Americans honored the legacy of America's presidents on Monday—even though a national Presidents Day holiday is pure fiction. Officially, the holiday has another name.

**HOUSTON** – The group behind the Grand Night Parade, Coronation and Ball for Mardi Gras in Galveston announced **Tuesday the cancellation of its 2021 celebrations.**

The news release noted that other significant Mardi Gras! Galveston events have also been canceled including the San Luis Salute, hosted annually by the Fertitta Family since 1996.

The Knights of Momus said it was a unanimous decision among its executive committee to cancel the events due to the public's safety amid the coronavirus pandemic.

“We had hoped we might find some safe way to hold the events, but the current surge in cases entering the holiday season rendered this hope untenable and the risks unmanageable,” Kenneth Shelton, Jr., chairman of the Executive Committee of the Knights of Momus, said. “Further, while the existence of the vaccine holds promise for the future, it will likely make the public feel less at risk and thus more prone to risky behavior.”

## Ash Wednesday February 17<sup>th</sup>

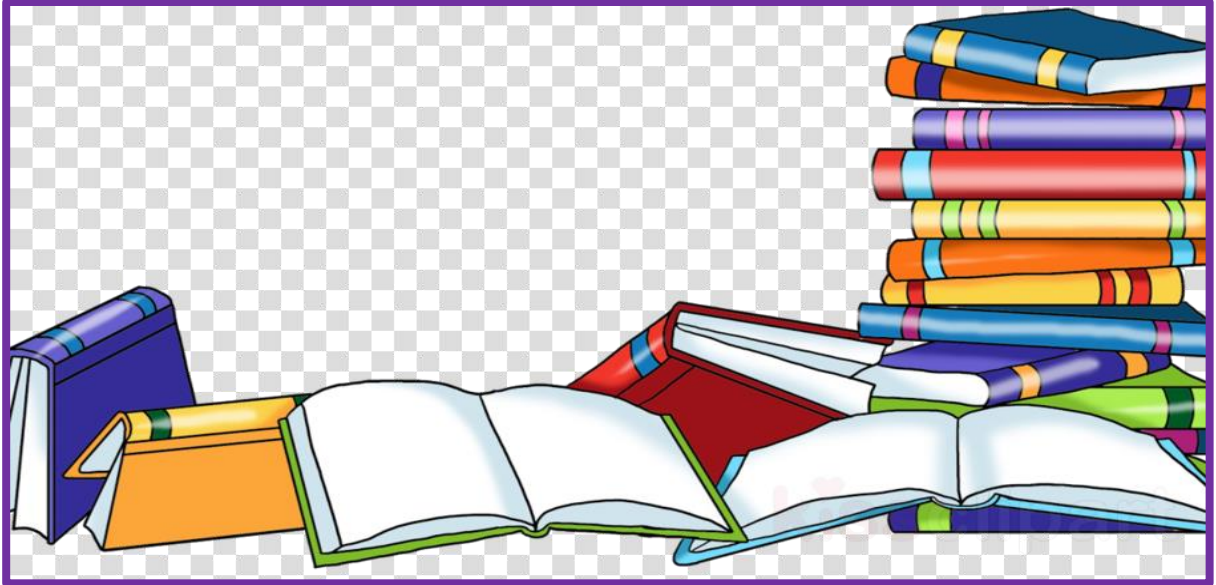

What is the symbolic meaning of Ash Wednesday?

**Ash Wednesday** is important because it marks the start of the Lenten period leading up to Easter, when Christians believe Jesus was resurrected. The **ashes symbolize** both death and repentance. During this period, Christians show repentance and mourning for their sins, because they believe Christ died for them.
