Last Month Look Back

February 18th - Our Wellness Workshop Market Fundraiser was a great success. Humble thank you to all the sisters who joined us on the Zoom. What an amazing time to explore the seven dimensions of wellness. Gracious thanks to everyone who donated \$25 or sowed a special seed to support our fundraiser, we are truly grateful for your generosity. All proceeds will go to the 2023 Soul-Lifted Sisters Volunteerism Scholarship Award Fund.

February 25th - "Food for Soul" Outreach was truly amazing, and we were all so excited to serve the Unhoused Community. The overwhelming gratitude was priceless! We served over 120+ people a hot breakfast and issued fully stocked care packs to include socks, & backpack.

Lord, we give you all the Glory for making this mission possible. Heartfelt thanks to all the volunteers who came out this month to help us bless the community.

Thank you all for believing in our vision! Gracious thanks to all the monthly seed Sowers. Your generosity help make this mission all possible. Your continued love and support are overwhelming and is greatly appreciated!

You spoke and we have listened. Over the years you have all expressed the need to Refresh-Restore-Renew! I am super excited to introduce our new approach to our Annual Praying Conference. Did someone say RETREAT!

After all what is a Prayer Conference without Retreating. As women we wear many different hats, so it's important to take time out to refuel in the presence of the Lord. It's important to self-love, self-refresh, self-restore, and self-renew.

If you are looking for a weekend of fellowship, worship, prayer, sisterhood, and fun activities, then this is the conference retreat for you. We will have many events set-up for you, but to get the full experience you should plan to attend all events and disconnect from the World for a few days.
