

# Kalahari Goat Association of Australia

ABN: 98649092982

## Animal Registration Information

There are three tiers of registration offered by the KGAA Inc.

Please read the following information carefully.

### Tier One (100% Kalahari):

**Pure Full Blood** 100% Kalahari goat with parentage proven 100% on both sides.

To maintain genetic purity this cannot be an upgrade.

### Tier Two (Min 50% Kalahari):

**Full blood/Pure Full blood** Kalahari X with another registered goat. Must both be registered.

Every Kid from these become 50% Kalahari and 50% other breed.

Then if you breed from this kid the following applies :

KALAHARI PURITY Min %	OTHER BREED	
F1- 50%	50%	
F2- 75%	25%	
F3- 87.5%	12.5%	
F4- 93.5%	6.25%	
F5- 96.1%	3.12%	<b>F5 FULL BLOOD STATUS</b>

F5 onwards can be called a full blood Kalahari as long as it meets the breeding standards for Kalahari, but cannot become a **Pure Full Blood Kalahari**

### Tier Three

Full blood 100% Kalahari X any other unregistered goat F1 F2 F3

Then the progeny that would have been F4 becomes a Tier 2 F1 for registration purposes

Any progeny resulting from crosses of the grade animals (F1-F4) can only be registered in the grade of the lowest parent and can never grade up. For example, if an F2 animal was bred to an F4 animal the progeny would be registered as F2.

**Kalahari goats can be registered by their owner regardless of who actually bred the animal. As long as they have blood lines of the animal.**

**The Seller of an animal is responsible for the transfer of certificate of an animal to be completed within 60 days from the sale date.**

### **Registration Fees**

**Fee is for Bucks and Does**

<b>TIER ONE</b>	\$10.00 PER ANIMAL
<b>TIER TWO</b>	\$5.00 PER ANIMAL
<b>TIER THREE</b>	\$5.00 PER ANIMAL
<b>TRANSFER</b>	\$3.00 PER ANIMAL Regardless of Tier

**The KGAA Inc. animal registry will be produced and maintained by ABRI, please follow the link in the members area of our website to register, transfer and view our flock book.**

### **Introductory Limited Time Offer**

**Until the 30th of June 2022 animals that are already registered with another organisation can be transferred across for just the \$3 transfer fee. From the 1st July 2022 they will need to pay the full registration price.**
