Auto Body...How can you take a car apart and put it back together??? This is a very interesting concept!

Our Auto Body students are the best! They can take apart and part this car back together in 34 seconds!

Certified Nurse Aide...Patient intake and vital signs!
Our CNA students definitely are doing a great job in the skills lab and will be ready for clinicals!

Cosmetology...Thank you to the Great Clips General Manager for coming to visit and evaluate our students. She was impressed with our students and will bring her team back to work with our students for future opportunities!

Culinary Arts...ANTC is producing many great culinary students! Their spaghetti was AMAZING!
Do not be surprised when you hear that several of our students have earned the title Executive Chef!

Medical Assistant
Simulated Cholesterol Testing...Simulated Blood Typing

Wow!!! Our Medical Assistant students were very focused during the lab simulation. It was impressive to hear them explain how to determine your cholesterol level and blood type! MA students you ROCK!

TREASURED MOMENTS...

ACHS Homecoming

Left: ANTC Cheerleaders
Fayth Byrd (CNA)
Madison Bibbs (Culinary Arts)
Ariahna Crockett (CNA)
NaKiya Lawrence (Culinary Arts)

Right: ANTC Football Players
Quantae Jackson (Culinary Arts)
Clinton "CJ" Jackson (Culinary Arts)

Below: We are ALL in this together! We are all in with giving our students real life experiences!

Last Photo: CNAs must be sensitive to the needs of their residents! However, there are moments when it is hard to hold your composure! This resident was not happy with her CNA and she was letting the Head Nurse know! This was perhaps one of the funniest moments I have witnessed at ANTC! Kudos to the CNA students for a great simulation!
