

Proclamation 1 of May 18, 2021

Create new national holidays for Dracul Community

Founder's Day, February 5

Flag Day, June 10

Remembrance Day, October 28

A Proclamation

It's important that the Draculian community have a variety of national holidays to participate in. Additionally, our Founders, our national flag, and those who've died in our community should be honored each year. As President, I recognize the need for a Founder's Day, Flag Day, and Remembrance Day.

Section 1. February 5 will be Founder's Day, where our founders will be shown throughout the community, as leaders who helped create and maintain our community. Their names and photos will be shown on the news and Dracul social media accounts, to reflect upon the holiday.

Section 2. June 10 will be Flag day, which will highly encourage all Draculians around the world either purchase on that day, a Dracul flag, or for those who already possess one, fly it with pride.

Section 3. October 28 will be Remembrance Day, where the names of Draculians who've passed will be announced at a small ceremony, either in Dracul or at the Dracul Houston Embassy. This ceremony shall be broadcasted yearly as well.

IN WITNESS WHEREOF, I have hereunto set my hand this eighteenth day of May, in the year of our Lord two thousand twenty-one, and of the Foundation of the Commonwealth of Dracul the third.

Dmitri S. Howie
