**Subject:** Sure Fire

Good afternoon. We wanted to send a follow up email out regarding Sure Fire for anyone who was not able to be on the call today. We are going live with Surefire on Friday March 4<sup>th</sup>. It is very important that you have logged in to Sure Fire and reviewed your profile to make sure it is set up to your liking. Starting Friday the system will start sending out auto generated messages to your borrowers. This information is generated from a daily report that gets uploaded advising Sure Fire of a change of status. There are also automatic notifications going out to your previous clients. If you need your login reset please contact Mortgage Support today and they will reset it for you. Some of the notifications that your borrowers will get are below.

### **Closed Loan Customers**

Notification on Birthday  
Notification on all Bank Holidays

### **Loans in Processing Customers**

Notification of Application  
Notification of Lock  
Notification of Underwriting Approval  
Notification of Clear to Close

To see all of the Notifications that are Active/Published for your contacts you can check the following places. Some screenshot examples are below:

Marketing>Deployment Center

The screenshot shows the 'Classic Home Loans' CRM interface. On the left is a dark sidebar menu with a 'Menu Filter ...' header. The menu items are: Dashboard (highlighted in blue), My Account, My Company, Contacts, Deals, Marketing, Calendar, Reports, CRM Settings (circled in blue with a dropdown arrow), Custom Rules, and Teams. The main area is titled 'Dashboard' and features a top bar with a hamburger menu icon and a 'Poplar Bluff' dropdown. The dashboard contains five widgets: 'Tasks' (0 pending), 'Contacts' (82), 'Media Library', 'Deployments' (0 this month), and 'Rate Alerts' (0 this month). The 'CRM Settings' menu item is circled in blue.
