Minutes from the March 2015 Meeting

The Vice President, Tom Moss, called the meeting to order. There were 28 members and 1 visitor (who joined the club that night) present. No minutes were read at the meeting. The treasure’s report was read and Marie Smith made a motion to accept the report and John Worley made a second. All members were in favor and the report is accepted as read. Copies were given to the officers.

Tom Moss announced the resignation of Tommie Deese and Candra Deese. Tommie presented a letter of resignation to Tom and he offered to show it to any members that would like to read it.

OLD BUSINESS:

Terry Smith, Hunt master, discussed the Piney Woods Relic Hunt that was held Saturday, March 7th, 2015 and thanked several members that participated with the setup, serving of the meal, planting targets, and the final cleanup of the hunt site. He reported everyone seemed very happy with the hunt and all fund raisers went well. Terry did note there was a very low participation of club members. He discussed the fact that this is our largest fundraiser for the year and requested any ideas members may have that would raise the same funds. He reminded them that this annual hunt is what provides the funding for our club silver hunts held twice a year. Our club is one of the few that still sponsor Silver Hunts for its “members only” and still using silver coins for the finds of the month.

Each member was presented a voting form to choose the type of hunt they would like to have for next year. The options were a “Relic Hunt” or a “Silver Hunt”. The vote was very close and the Relic Hunt was chosen. This is for the annual open hunt. The club, at this time, will continue to have silver hunts as usual. One idea was that next year each member that assists with the hunt would receive a free meal. Another was to create a Hunt Team that would be willing to handle different areas of the hunt to help share some of the responsibilities. Hayne Morrow also requested a suggestion box be provided at each meeting. Margaret Logston agreed to provide one which will be started at the April Meeting.
