

JOB#	2030
JOB TITLE	Construction Assistant – residential & commercial water features
JOB LOCATION	Surrey
REMUNERATION	Competitive wage
ABOUT THE COMPANY	For over 30 years, this family owned and operated business has specialized in the construction of quality water features. Today, they are the leader in their sector in Greater Vancouver, and they believe in providing each of their customers with high quality craftsmanship, unique design ideas, and affordable project solutions
JOB DESCRIPTION	The new Construction Assistant will be part of the company's project site crew, performing a range of tasks including site prep and demolition, excavation, carpentry, concrete forming, plumbing, troweling, electrical etc.
	In the first three months on the job you can expect to hit the ground running, figure out our project work flow, and how we do things.
CANDIDATE	Candidate Qualifications
COMPETENCIES	 1 or more years of construction experience with any specialty: service, residential, new construction, renovation etc, perhaps working as a Carpenter's Assistant
	 ✓ Ideally but not required – a valid BC or Canadian construction ticket and/or some experience in one or more of the following trades categories: demolition and site prep, excavation, carpentry, concrete forming, plumbing, troweling, electrical etc. ✓ Strong knowledge of general exterior construction codes
CANDIDATE 'FIT'	 Candidate 'Fit' ✓ The willingness and ability to listen, learn and develop more valuable construction skills for your career growth ✓ Communication, teamwork, safety consciousness, reliability, punctuality and self-motivation ✓ Owning some of your own hand tools is an asset but not required ✓ A Valid BC driver's license and reliable vehicle so you can meet at the company office/shop most work mornings, and then go to our various project construction sites with crew members
	✓ Most importantly, we are looking to hire someone of <u>character</u> and <u>integrity</u> who we can count on to show up and be ready to make a contribution every day at our project sites, and be courteous to our customers.
	What's in it for you? Our President and project managers are friendly, respectful, and progressive. We have a good group of teammates and there is lots of opportunity to grow, learn, and build your skill set, if that's what you'd want. You will work with some cool tools and on unique pool projects.
