____ I understand Howling Peaks Dog Training, LLC is a positive, force free, relationship-based and science-based training company. Howling Peaks adheres to this philosophy in the training and behavior modification process.

____ I will commit to the training plan including time, homework exercises and management techniques that are suggested to be in place.

____ I will not use aversive tools such as: choke chains, prong/pinch collars or shock collars (including bark collars or invisible fences). I understand these tools negatively impact my dog, our relationship and can cause injury.

____ I understand that payment must be received in full by the start of our training session.

____ I understand that cancellations of training sessions with less than a 48-hour notice, will be charged full price for the session.

____ I understand that refunds are subject to a 20% administrative fee.

____ I understand a session may not be rescheduled more than once.

____ I understand that packages purchased expire 1 year after purchase date and once sessions begin, they must continue to be actively used. A break in sessions exceeding 3 months forfeits any remaining sessions and does not qualify for a refund.

____ I understand that noncompliance, as it pertains to this contract, will result in the termination of services.
