

For over 40 years I have been entertaining audiences on Long Island. 20 of those years have been spent as a vocalist and Lead Guitarist with one of the Long Island areas top Country/ Rock cover bands. The Last several years, I have been performing as a soloist at several vineyards across the North Fork of Long Island including Ospreys Dominion,, Clovis point, Whisper and Jasons Vineyards as well as Fire Island and various small clubs, restaurants and cafes.

Specializing in music from the 60s, up to todays Contemporary, I can provide performances in a more intimate setting that can be customized to suit your venue.

If you would like to evaluate my performance for your venue, I can provide a complimentary 45 minute Audition upon Request

Short demos as well as a list of my scheduled performances can also be found on my web page

“ There is nothing like the positive audience reaction to a live performance.”

“ Join me in celebrating my passion for the music that will continue to be around for generations and that have been a part of my songline for over 40 years.
