## ABOUT US

- Lynn Training Services gives you **straightforward, career-focused and practical advice** from acceptance, until the completion of your program.
- We offer **in-depth training programs** that **combine practical experience** with affordable rates and theoretical foundation for developing your career and expertise as an educator.
- Located in the heart of Ohio, Lynn Training Services puts you in the center of a great learning experience with our **online training classes; accessible to learners across the United States.**

## Learning Online

### Studying

*Here at Lynn Training Services we make sure that studying is not only comprehensive but is stress free and convenient for all learners. We provide educational resources and learning materials that can be easily followed by any learner. We believe studying should be meaningful.*

### Learning

*As a training organization we understand that all students learn at different levels and pace. Our online training incorporates small quizzes, assignments, reflections, activities and educational videos to help support the many learning styles of all our students.*

### Believing

*As a newly established training organization we believe in training our students properly but we also believe in our students. We strongly believe with solid training and strong work ethic of our students, all learners can achieve higher levels of education and training.*

## Tuition Payment Options

At Lynn Training Services, we provide quality online courses with flexible payment options. Our CDA Program is a 120 Hour Program taught by industry professionals who are passionate about the subjects they teach. Our program fees include access to online courses, your books and hands on training in a small virtual group environment. Upon successful completion of your course, you will be eligible to apply for your CDA Credential.

Our Affordable Tuition includes books and fees for **\$1,200**

### **Basic Payment Plan**

With our Basic Payment Plan, students are required to put a minimum deposit of \$100, with a monthly payment plan of \$100.

### **Starter Payment Plan**

With our Starter Payment Plan, students are required to put a minimum deposit of \$300, with a monthly payment plan of \$85.

### **Premium Payment Plan**

With our Premium Payment Plan, students are required to put down a deposit of \$500, with a monthly payment plan of \$65.

### **Referral it Off**

All students have the capability to refer a new learner to our CDA Program. For each new learner that a student refers will receive a \$50 credit towards tuition
