Fujitsu Ductless Mini-splits offer:

- **High Energy Efficiencies.** Fujitsu's lineup includes the *World's Most Efficient Heat Pump*. With systems up to 33-SEER, you'll have lower utility bills and potentially qualify for utility company rebates.
- **Flexibility.** Individual zoning allows you to heat or cool the areas you want, and not the areas that are unoccupied.
- **Easy Installation.** Fujitsu systems install quicker and with less mess than conventional air conditioning systems.

Fujitsu Elite Contractors offer:

- **Superior Service.** Distinguished levels of training and premier customer support are what make ELITE Contractors a cut above the rest.
- **12 Year Extended Warranty.** Only ELITE Contractors can offer an extra 2 years extended warranty on select systems.
