

An employer paid benefit program that allows employees to gain access to care earlier and at a lower cost.
Eliminating the financial harm of health care.

The benefit that shows you are in touch with your employee's needs.

EMPLOYEES ACCESS CARE

Care is received earlier because Paytient makes it easier for your employees to afford it.

CARE IS MORE AFFORDABLE

We don't charge interest, and access to early care reduces long term costs.

REDUCTION IN LARGE CLAIMS

Granting access to care as early as possible can reduce the number of large claims that drive up costs.

INCREASING EMPLOYEE RETENTION

When you give Paytient to your employees, it shows you are in touch with their needs. We have the numbers to prove it.

MAKING PLAN DESIGN CHANGES EASY

These tough plan changes become easier and more employee-friendly with Paytient.

How it works...

Employees can pay for out-of-pocket medical, dental, vision, and even veterinary expenses with **Paytient's payroll-integrated virtual VISA card**.

They choose the repayment plan that works for them.

No interest. No fees. No, really.

Instantly available

A no application, on-demand benefit.

Flexible repayment options

Giving employees control of their financial wellness.

Merchant Safeguards

We ensure the card is being used for health care expenses.

We absorb all credit risk

It's never on the employer.
