

CHRISTIAN ETHICS

Course Description:

There is a difference between "ethics" and "morals." Ethics do not change. Morals reflect the changing whims of culture. For the Christian, ethics must be rooted in the absolutes revealed in God's Word to inform and nurture our moral conduct. In the postmodern era, Christians must learn to think biblically and identify how we relate to culture. This course explores a synthesis, viewed through the lens of Scripture, to formulate a strategy for today.
