## What's new at Sneaky Universe

Coming out later this month are some of the foreign language additions of Sneaky Puss Goes Exploring – Available in French, German, Spanish, Italian and Portuguese (European). These books are illustrated by the fabulous Hasitha Eranga and have different images to the original English Edition of Sneaky Puss Goes Exploring which was illustrated by Rick Sgambellone (also fabulous). All titles will be available in paperback from everywhere you buy books online or at the Sneaky Universe store. If you are an ebook fan, you'll find them later in the month on Amazon.
