ARTICLE VI Assessments

Section 1. Assessments. Each year on or before December 1, the Board of Directors shall estimate the total amount necessary to pay for the wages, materials, insurance services and supplies which will be required during the ensuing calendar year for the rendering of all services, together with a reasonable amount considered by the Board of Directors to be necessary for a reserve for contingencies and replacements. The Board of Directors shall, on or before December 15 of each year, notify each owner in writing as to the amount of such estimate with reasonable itemization thereof. This estimated cash requirement shall be assessed against each owner according to his ownership percentage.

Each owner, jointly and severally, shall be liable for and shall pay to the Association on or before January 1 of the ensuing year, and on or before the first day of each month thereafter during said year, one-twelfth (1/12) of the total assessment made against him pursuant to this Section. On or before the date of the annual meeting of each calendar year, the Board of Directors shall supply to all owners an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, and showing the net deficit or surplus of the amounts actually collected over actual expenditures plus reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves (as determined by the Board) shall be used to reduce assessments for the next year and any deficit shall be added to future assessments according to the owner's ownership percentage.

Section 2. Reserve. The Association shall build up and maintain a reasonable reserve for contingencies and replacements. Extraordinary expenditures not originally included in the annual estimate which may become necessary during the year shall be charged first against such reserve.

Section 3. Special Assessments. If the annual estimated cash requirement provided for in Section 1 of this Article proves inadequate for any reason, and if the contingency portion of the reserves are depleted, the Association may at any time levy a further special assessment which may be assessed against the owners according to their respective ownership percentages. The Association shall serve notice of such special assessment on all owners by a statement in writing showing the reasons thereof. Such special assessment shall become payable with the next monthly regular assessment which is due more than ten (10) days after delivery or mailing of such notice of special assessment and shall be paid in a lump sum or in such installments as the Board of Directors shall determine. All owners shall be personally liable for such special assessments.

In addition to the special assessments authorized above, the Association may levy, in any assessment year, a special assessment for capital improvements provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of members voting in person or by proxy at a meeting duly called for this purpose.

Section 4. Commencement of Assessments. On or before the first day of the month following the closing of the initial sale of each apartment, and on or before the first day of each month thereafter during the same calendar year, the owner acquiring title shall pay to the Association one-twelfth (1/12) of the annual assessment made pursuant to Section 1 hereof.

Section 5. Limitation on Assessments. For purposes of this Section, expenses for water and sewer services shall not be considered as part of any owner's assessment, even though payment thereof is prorated among the owners and paid through the Association.

Section 6. Non-Waiver. The failure or delay of the Association to assess or notify the owner of any assessment shall not constitute a waiver or release of the owner's obligation to pay any assessment as herein provided whenever the same shall be determined and, in the absence of any annual estimate or special assessment, the owner shall continue to pay the assessment at the then existing monthly rate established for the previous year until the regular assessment shall have been established.

No owner may exempt himself from liability for the assessment imposed by this Article by waiver of the use or enjoyment of any of the common areas and facilities or by abandonment of his apartment or otherwise.

Section 7. Books and Records. The Association shall keep books of account of its receipts and expenditures specifying and itemizing the maintenance and repair expense of the common areas and facilities and any other expenses of the common areas and facilities and any other expenses incurred. Upon ten (10) days notice to the Association and payment of a reasonable fee, any owner shall be furnished a certificate of his account setting forth the amount of any unpaid assessment or other charge due or owing from such owner. Any purchaser of an apartment may rely on the accuracy of such certificate and such purchaser shall not be liable for, nor shall the apartment conveyed be subject to a lien for, any unpaid assessments against the owner which were incurred prior to the date of such certificate and which are in excess of the amount therein set forth.

Section 8. Fiduciary Obligation. All funds collected hereunder by the Association shall be held and expended only for the purpose designated herein, and except for such assessments as may be levied against less than all the owners, shall be deemed to be held for the benefit, use and account of all the owners in accordance with their ownership percentages.

Section 9. Default. If an owner is in default on the payment of any assessment or charge the Association may enforce its lien against such owner's apartment and proceed to collect any such delinquent sum in accordance with the provisions of the Declaration. If such assessment or charge is in default for more than thirty days, the Association shall charge interest thereon at the rate of 8% per annum from the date it was due until paid, together with reasonable attorneys' fees and costs of collection.

ARTICLE VII Common Expenses

In addition to those enumerated in the Declaration, the following shall be common expenses:

- a) Expenses for utilities for services to the common area and facilities and for service to the apartments when not metered separately; provided that the water and sewer services shall not be a common expense. However, because of the placement of one water meter per building, the Association shall prorate water and sewer costs equally among all owners according to the respective ownership percentage of each.
- b) All expenses incurred in connection with the exercise of any power or duty referred to in Article III, Section 6 of these By-Laws.

ARTICLE VIII Business Management

Section 3. Loans. No loans shall be contracted on behalf of the Association and no evidences of indebtedness shall be issued in its name unless by a resolution of the Board of Directors. Such authority may be general or confined to specific instances.

Section 4. Vouchers. All vouchers for payment of Association expenses shall be approved in writing prior to payment by such officer or agent and in such manner as shall from time to time be determined by the Board of Directors.

Section 5. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidence of indebtedness issued in the name of the Association, shall be signed by such officer or agent of the Association and in such manner as shall from time to time be determined by resolution of the Board of Directors.

Section 6. Deposits. All funds of the Association not otherwise employed shall be deposited from time to time to the credit of the Association in such banks, trust companies or other depositories as the Board of Directors may select.

Section 7. Books and Papers. The books, records and papers of the Association shall at all times, during reasonable business hours, be subject to the inspection by any member for any proper purpose.

Section 8. Insurance. Subject to the provisions hereof, the Association, as a common expense, shall keep the buildings insured against loss or damage by fire with extended coverage in an insurance company authorized to do business in the State of Indiana in the amount as near as practicable to the full replacement value thereof without deduction for the depreciation, in the name of the Association as trustee for all owners and mortgagees according to the loss or damage to their respective apartments and percentage ownership of the common areas and facilities. Copies of such policies or current certificates shall from time to time upon receipt thereof be deposited promptly with the owners and mortgagees of the apartments. In case of loss or damage, all insurance proceeds shall be used and disbursed in accordance with the Declaration. Every such policy of insurance shall:

- (1) provide that the liability of the insurer thereunder shall not be affected by, and that the insurer shall not claim any right of set-off, counterclaim, apportionment, proration, or contribution by reason of any other insurance obtained by or for any apartment owner;
- (2) contain no provision relieving the insurer from liability for loss occurring while the hazard to such building is increased, whether or not within the knowledge or control of the Association, or because of any breach of warranty or condition or any other act of neglect by the Association or any owner or any other person acting under either of them;
- (3) provide that such policy may not be canceled (whether or not requested by the Association) except by the insurer giving at least thirty days' prior written notice thereof to the Association, owners, and every other person in interest who shall have requested such notice of the insurer;

 - (c) waive any provision invalidating such mortgagee clauses by reason of the failure of any mortgagee to notify the insurer of any hazardous use or vacancy, and requirement that the mortgagee pay any premium thereon, and any contribution clause; and
 - (d) provide that without affecting any protection afforded by such mortgagee clause, any proceeds payable under such policy shall be payable to the Association or the insurance trustee in accordance with the Declaration.

The Association, as a common expense, shall also effect and maintain at all times comprehensive general liability insurance covering the Association, its directors, officers, employees, agents, manager and all owners with respect to the property with minimum limits of not less than \$500,000 for injury to one person and \$1,000,000 for injury to more than one person in any one accident or occurrence and \$50,000 for property damage, and from time to time upon receipt thereof deposit promptly with the owners current certificates of such insurance, without prejudice to the right of any owner to maintain additional liability insurance.

The Association shall, at least annually, review insurance coverages with its insurer to ascertain the full insurable replacement cost of the property. If it conducts such review at least annually, the Association shall not be liable for failure to carry sufficient amounts of insurance on any apartment or on the property.

The Association shall not be responsible for obtaining insurance on any additions, alterations or improvements made by any owner to his apartment unless and until such owner shall request the Association in writing so to do, and shall make arrangements satisfactory to the Association to reimburse the Association for any additional premiums attributed thereto.
