Official **Virtual** Launch Party International Mother Earth Day Wednesday, April 22, 2022

Launch Party Theme: Blue (Water), Brown (Earth), Green (Environment)

International Mother Earth Day celebrated to remind each of us that the Earth and its ecosystems provide us with life and sustenance. This Day also recognizes a collective responsibility, as called for in the 1992 Rio Declaration, to promote harmony with nature and the Earth to achieve a just balance among the economic, social and environmental needs of present and future generations of humanity. International Mother Earth Day provides an opportunity to raise public awareness around the world to the challenges regarding the well-being of the planet and all the life it supports.

Take part in the World's Largest Lesson and be apart of the global challenge.

#ChallengingYouGlobally
Find your cause and passion for life!

Who Can Take Part? EVERYONE!

This annual global competition is for middle school, high school, and collegiate students around the globe.

The World's Largest Lesson brings Global Goals to children all over the world and unites them in taking action. Since their launch in September 2015, they have reached over 130 countries and impacted over 8 million children each year. Source: United Nations Foundation

To all the teachers, coaches, mentors, youth leaders, and community residents who love inspiring, uplifting, and educating, we aspire to change behaviors more positively and productively. This challenge is for you too!

All participants need to register and submit student/new membership form by email or electronically online.

Chamber of Commerce, McDonald's, Target, CVS, and Community Businesses -Please register today to show your participation and support for the solidarity needed to educate our business community on the importance of working together to achieve the 17 SDGs.

Government, Municipalities, and Libraries - New York City was the first to develop a template for submitting their 17 SDGs efforts. Please register today to show your support and participation in achieving the 17 SDGs by providing your "Voluntary Local Review." **If you need assistance with your review, please contact our office. Contact information below.**

The National Mall - Please register today to show your participation in an optimum way of national solidarity and support, educating a massive audience in (1) effort of displaying support. A call for the 17 SDGs blocks down the National Mall!

Walmart(s) - 17 SDGs Challenges: Walmart, please register today to have your 17 SDGs display to show your support in educating students and the community on the vital importance of achieving the 17 SDGs for this generation, the next generation, and generations to come.

To All Teachers: Here are a few ideas to engage your students.

1. **Invite a Speaker** - A community leader who clearly understands and can speak on the vital need to educate on the 17 SDGs.
2. **Vocabulary Lesson** - On the 17 SDGs, each area of focus and related terminology.
3. **Color Wheel** - Familiarize students with the color wheel and the associated colors and issues.
4. **Watch Educational Video.** - United Nations UNICEF 17 SDGs video. Have students to write a one-page paper on (1) chosen goal.
5. **17 SDGs Animal Ambassadors** - Familiarize students with the 17 SDGs real-life animal ambassadors. Names; QiQi & Diandian
6. **Engaged students in a dialogue about the 17 SDGs.** Encourage input on how they would address the problem.

Note:

As an executive producer, educator, speaker, and advocate, I would love to come and speak. Please let me know if you would like me to talk to your students, group, business, or organization on the 17 SDGs and how continuing the effort to educate and bring awareness is of vital importance.

Click on the request speaker on the registration page.

Develop And Enhance Your Skills

Students can learn invaluable lessons when studying world issues. The 17 SDGs presents issues and highlight barriers that can impact any community at any time, whether near or far. This challenging students to examine circumstances from a globally oriented perspective on issues that transcend national boundaries.

Competition Rules and Guidelines Continued

Sponsorship and Donations:

"DW" would like to thank all of our sponsors and supporters over the past 14 years, since our initial establishment in 2007. We've had the privilege and pleasure of working with hundreds of students on the east coast and over 2 million via our energy and environmental focused national television broadcast "Green Education 101." Please consider donating as a volunteer or in-kind resources. With gracious donations, we can continue our mission to provide educational and community economic development & enrichment initiatives and programs.

Over the past 124 years, we have used donations exclusively to underwrite youth programs, including paying the expenses needed to take participating students on international educational trips. Trips include service-learning, interactive, and humanitarian efforts, publish scholarly literature, produce educational television programming and commercials. Programming has aired on the following networks: CNN, FOX NEWS, BET, PBS, CW NETWORK, MSNBC, and Comedy Central.

I can not state how proud and honored I am to have worked with some of the brightness and creative young minds. We look forward to continuing our efforts. If you are interested in becoming a sponsor or making a tax-deductible donation, please contact us at (301)537-4362 or visit: www.una-spsc.org
