Job Description: Professor

Overview

World Bible School University seeks experienced faculty members to teach in the fields of Biblical Studies, Theology, Ministry, Christian Education, Christian Counseling, Evangelism/Missions, Divinity, and Leadership. World Bible School University is a Christ-centered learning community with an enduring commitment to teaching the finished Work of Jesus as complete in us; and expressed through world service and faith-infused education in professional studies.

Job Summary

Faculty members provide instruction in assigned classes online, in accordance with applicable administrative policies and procedures, instructional models, and course syllabi as established by the administration. In addition to teaching roles, faculty members at World Bible School University generally assume specific administrative duties in accordance with the personnel needs of the school. Each faculty member is directly accountable to the Chancellor and Managing Director.

Qualifications

1. A Bachelor's degree from an accredited seminary or graduate school in the area of expertise is the minimum academic standard to teach in the Associate and Bachelor Degree.
A Master degree is required to teach in the Master level.
A Doctorate degree is required to teach in the Doctoral level.
2. Ministry experience appropriate to the teaching position. In keeping with the distinctives and emphases of the College, preference will be given to candidates with specific cross-cultural ministry experience.
3. Demonstrated ability to teach.
4. Commitment to the College Doctrinal Statement.

Responsibilities

1. Teach online by giving written lessons in WORD and PDF along with video classes weekly by the assigned date given on the schedule with each lesson being presented the night before the day of class for our international students.
2. Integrate a Biblical worldview into each course taught.
3. Maintain knowledge of contemporary developments in academic disciplines.
4. Stimulate students to lifelong learning.
5. Develop syllabi for all classes taught.

6. Improve teaching ability by effectively responding to student and Chancellor for Academic Affairs evaluations.
7. Develop methodology to effectively teach to varied cultural backgrounds and learning styles.
8. Abide by the Faculty Handbook and the Personnel Policy Manual.
9. Serve as mentor and academic advisor to students in your classrooms.
10. Promote the College by advertising on your social media or mentioning WBSU when you go somewhere to speak, taking a copy of a WBSU Application for those who may be interested.
11. Other duties as assigned. Due to the nature of ministry at World Bible School University, all faculty members are requested to assume additional administrative responsibilities that align with their experience, qualifications, interests, and skills as time permits.
12. Adhere to the WBSU Continuing Education program for Professors, Directors, and Representatives.

Benefits

Since WBSU is a tuition-free college, professors work on a voluntary basis. However, they are awarded the opportunity to further their education and earn degrees by adding college credits to their school record by teaching courses and taking classes and participating in the continuing education program.
