## CAREER PARTNER RESOURCES

---

Developmental Path of the Infection Preventionist

Find [valuable resources](#), including the [IP Competency Model](#), the [Novice Roadmap](#), and the [Proficient Practitioner Bridge](#) to support your IP journey, from novice to expert.

Certification Preparation

Earning your Certification in Infection Prevention and Control (CIC®) increases your professional credibility and demonstrates your commitment to improved patient safety. APIC offers [numerous resources and courses \(all discounted for APIC members\)](#) to help you prepare for the CIC exam and get recertified.

Career Center

[Explore open positions](#) and prepare to take the next step in your career.

## NETWORKING & COMMUNITY

---

APIC Chapters

Join one (or more!) of APIC's 113 chapters to build a strong local support network and access additional educational and networking opportunities. [Find a chapter in your area](#). APIC chapters are an additional fee.

Online Communities

[MyAPIC](#) is the premier online platform for infection preventionists. Engage in discussions (with email updates for new discussions) and search the document libraries for useful resources within community groups.

More than a dozen [specialty sections](#) allow you to share and receive tips and best practices with peers in similar practice settings. Online communities are included with membership.

Plus, explore the [member directory](#) to find colleagues with similar interests.

Volunteer Opportunities with APIC and APIC Chapters

Add your voice and help advance the profession. Learn more about [Volunteer Opportunities with APIC](#).

Plus, you can participate in [APIC's Online Panel for Market Research](#) to help organizations better develop IPC products and services.
