

The Gospel of Matthew:

The Sheep and the Goats:

1. How will the return of Christ be different from His coming to earth the first time?
2. When Christ comes to judge the all the people of the world into two groups, the sheep and the goats, what will the criteria for judgement be? See also Rev 20:11-15.
3. What is our motivation for proclaiming the whole gospel of Jesus Christ?
4. God's promise to heal the nation is not a promise for America, nor for any nation today. It was specifically for the nation of Israel before the end times. Yet the people of God can make a difference in our nation still today. Do you agree or disagree? Why or why not? SEE 2 Chron 7:14; Pr 14:34; Pr 11:11
5. The church in general has moved away from preaching about sin, repentance, and salvation, which has had a direct impact upon the nations of the world. Do you agree or disagree? Why or why not?
