TIME TO BE THANKFUL

Smells of pumpkin pie and grandma's stuffing are already filling the air! We here at GBI have much to be thankful for this past year. We are thankful for each of you following along and supporting our organization. This year we've made amazing strides and are grateful to represent such an important cause!

Mark your calendars for December 8th from 4pm-8pm because we have our final event of the year: The GBI End of Year Gala! We want to formally introduce ourselves and meet you all in our community, so stop by and enjoy the auction and learn more about Global Blessing Inc. and our impact.
