## **DEBBIE'S NOTES**

The tour is through AIT. Though it isn't the cheapest available, we know that all the details will be well managed and we are not on our own. We will see most of Italy and hope to see the Milan area when we go to Switzerland in another year. This will be a full vacation with some educational value, not as intense or busy as our Holy Land tours. It will be warm and is at the start of the tourist season but it meets the schedule & interests of the majority of those who shared their desire to go to Italy. I won't be doing a lot of prep work with you but we'll talk about what to wear, pack. etc. **Andiamo!** (Let's go!)

## **NEXT STEPS**

**AIT will soon provide a registration form.**

When you submit the form:

1. Get Debbie a check payable to America Israel Tours for the \$750 non-refundable deposit or for the full amount to hold the dollar cost OR
2. If you note on the form that you wish to pay by credit card, AIT will contact you to obtain your credit card information to pay either the deposit or the full amount.
3. Pray for our plans and travelers! We'll get together soon!
