Spotters may be allowed in the arena during a pony class at the discretion of show management. Spotters are to be alert for the **safety concerns of the children only** and shall provide such assistance as necessary to safeguard the children. **A spotter shall not help any child exhibit his/her pony.**
15. Costume Leadline – Every child must be sitting on horse (or pony) with child visible from all four (4) sides with no carts or wheeled attachments.

The two-year old horse must take all gaits called for by the judge.

Until the tab or returned check is paid, the exhibitor will not be allowed to participate for points in future shows – including the AOHA State Show. both ways of the ring. It is mandatory that a moderate extension of the jog be asked for in at least one direction with the exception of the youth 12 and under classes. The extension of the jog is a definite two beat lengthening of the stride and covering more ground. Cadenced and balanced with smoothness is more essential than speed. Lope with forward motion is the only gait recognized as a lope. Western riders should sit at the extended jog. Passing is permissible and should not be penalized as long as the horse maintains a proper and even cadence and rhythm.

Exhibiting a pony in a pleasure "type" event or exhibiting in timed events shall not be considered when determining an Exhibitor's eligibility as a beginner rider. This disqualification shall not be limited to shows sanctioned by EAHA but will also include the exhibition of a horse in any other group or association, whether open or registered.

4. Each Exhibitor must show a minimum of eight (8) times per class for an opportunity of end-of-year award for mandatory classes and one (1) of the shows must be an EAHA fundraiser show. Each Exhibitor must show a minimum of **six (6)** (prior to 2020, it was eight (8)) **times per class** and be in the **top 20 in points** to qualify for the Alabama Open Horseman's Association State (AOHA) Show.
5. Each Exhibitor shall display Exhibitor numbers – except in Timed Events. (However, back number(s) are required for Timed Events at the AOHA State Show.) Number(s) shall be worn on saddle pad (**both sides**) for Western pleasure, Huntseat & English pleasure. Number(s) shall be worn on back for all gaited and halter classes. In Costume Leadline, numbers shall be displayed at most visible position on child, horse or handler. Anyone showing with wrong number, no number or missing their class/cut is disqualified and NO points shall be awarded to the Exhibitor for class placing. Show management shall be responsible for the enforcement of this rule and no exceptions shall be made by show management.
6. Exhibitor numbers may be obtained from show management. Numbers shall be issued on a first come, first serve basis. An Exhibitor may provide his/her own number. An Exhibitor providing his/her own number shall verify with show management (at each EAHA Show where they participate) that the number has not been issued for the show date. If the number has already been issued for the show date, the Exhibitor must obtain another number.
7. Walk-Ins
 - a. After proper registration and payment for class(es):
 - i. (Judged)
 1. Horse and Exhibitor (with Back Number) should enter arena and not only present to the judge but also to the announcer so they can be correctly accounted for in the show records. They should not leave the arena until they have been acknowledged by both.
