

ageLOC®

DERMATIC EFFECTS

BODY CONTOURING LOTION

PRODUCT OVERVIEW

For a more contoured, smoother looking you. Scientifically formulated to bring ageLOC anti-aging benefits to the body every day, ageLOC DERMATIC EFFECTS helps smooth the appearance of skin and improve the appearance of skin firmness. This daily contouring moisturizer helps promote cell turnover, returning skin to its natural radiance. It also hydrates and utilizes leading edge optical technology to diffuse light instantly, helping skin look smoother while improving the appearance of the skin's surface.

TARGET AUDIENCE

Women and men looking for a firmed, toned, younger-looking body.

PRODUCT BENEFITS

- ageLOC targets the sources of aging to preserve the look of youth and reduce the appearance of aging.
- Helps smooth the appearance of skin.
- Improves appearance of skin's firmness for a more youthful look.
- Helps promote skin cell turnover for skin's natural, radiant texture.
- Optical technology diffuses light instantly to help skin look smoother and improve the appearance of the skin's surface.
- Hydrates and helps smooth the skin.

KEY INGREDIENTS

- **ageLOC Proprietary Blend**—targets the sources of aging.
- **Hibiscus abelmoschus extract**—rich in plant lipid extract that helps calm free radicals and reduces the appearance of cellulite.
- **Honey extract**—a natural alpha hydroxy acid to help smooth skin.
- **Hyaluronic acid**—helps maintain an optimal moisture level.

USAGE

Apply twice daily, morning and night to problem areas—upper arms, thighs, buttocks, and/or abdomen. For best results, combine with your ageLOC Body Shaping Gel regimen.

COMPLEMENTARY PRODUCTS

- **Sunright® InstaGlow**—delivers an instant bronze finish using naturally sourced minerals.
- **Liquid Body Lufra**—revitalizes skin and gives it a luminous appearance. Finely ground walnut shells buff out rough spots on elbows, backs of arms, knees, heels, and all over. With Liquid Body Lufra, you step out of the shower with smoother, softer skin.
