The Briar Grove Park is for
everyone to enjoy. It is very
important that residents and their
guests are respectful and safe.

That being said, at **NO** time should
children be left unsupervised or
allowed to start **FIRES** or vandalize
equipment or property!

There have been reports of kids starting
fires, and on at least one occasion, the
FIRE DEPARTMENT had to respond.

Parents are responsible for their kids'
behavior, and may also be held
responsible for damage to equipment,
or park property.

**PLEASE MAKE SURE YOUR CHILDREN

Neighbors, Please be sure your
children understand the
importance of not riding their

and can cause not
only damage to
property, but may
jeopardize your
