Harmonizers	Two cylinders that can be held to polarize a vibration through the body

Easy & Simple Clearing/Charging Your Crystals

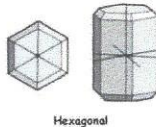

- Soak in Spring Water "not with malachite, Lapis, Pyrite, Selenite, Black Tourmaline or Turquoise"
- Place in Moonlight or Place in Sunlight to clean and Charge but Not Amethyst! It will dull ☹️
- Place in presence of Candle Light
- Cover with Sea Salt for 24 hours
- Smudging with Sage/ Palo Santo
- Place around Tibetan Signing Bowl with sound or Bells while using them for 5mins
- Bury in Sand, Soil or Brown Rice over night.
- Lightwork, connect to Divine light and "visualizing" a clearing light getting rid of negative energy and charging your crystal!
- Selenite, Logs Charge and clear other crystals.
- Pyramids shapes clear and charge crystals.

Crystal Structures Made Simple
